IN RE:U.S. V. CHRISTOPHER CLEMENS  
CRIM.NO.98-82/CIV.NO.03-319

9

Dear Judge Robinson:

This letter is in reference to the above case number, and concerns a motion to disqualify judge Kent A. Jordan from proceeding further in the case due to possible bias and prejudice.

The original motion to disqualify along with an affidavit of prejudice and a certifiacte of good faith in support of the motion to disqualify was filed in the courtroom of Judge Jordan and copies of the same was filed in your Honor's courtroom on March 3, 2006. In addition a supplemental attachment in support of the motion to disqualify was filed both with an exhibit on November 7, 2006.

Based upon Judge Jordan's recent appointment to the Third Circuit Court of Appeals, I would presume that the "Motion to Disqualify" which was left unanswered by Judge Jordan is now moot.

If this is the case I thank you for entertaining the filing of the motion and am appreciative of any exhaustive energies you may have exerted in perusing the motion for it's merits.

Also, since judge Jordan is no longer a presiding District Court judge; does this mean that the Clerk's Office will be appointing another District Judge to entertain the "Motion To Alter or Amend Judgment Pursuant to Rule 59(e)" which was left unanswered by Judge Jordan?

I thank you kindly.

Sincerely,

CHRISTOPHER CLEMENS
